Ontario's favourite northern cheese is now available to online customers

Thornloe, ON - Thornloe Cheese is pleased to announce the launch of an all-new online store at www.thornloecheese.ca, offering a large selection of traditional cheddars and specialty cheeses to appeal to customers surfing the world wide net.

Offering a full line-up of products to appeal to any cheese lover, Thornloe Cheese is a farmer owned plant that has produced outstanding curds and cheddar cheese for nearly 70 years. The online store boasts traditional cheddars and cheese curds, as well as a large selection of specialty cheeses including award winners: Asiago, Charlton, Evanturel, Romano, Queso Fajita, and Temiskaming.

"Thornloe customers travel far and wide to find our products. We are thrilled to now offer an online service to accommodate shipping of Thornloe Cheese to these enthusiastic cheese fans," says Brian O'Connor, Executive Director of Thornloe Cheese. "We are excited about the growth of our product line via this new online service."

Free shipping is available on all orders over \$70.00. Visit www.thornloecheese.ca to view a wide selection of mouth-watering cheeses of all ages and seasonings available for shipping across Canada. Thornloe Cheese is a 100% Canadian, 100% farmer-owned company.
